Gt. Brit. Attorney general, informant.

The information against the Duke of Marlborough. And his answer. London, Sold by A. Baldwin, 1713.

24 p. 184".
The "information," by Sir Edward Northey, attorney general, charges that the Duke had misappropriated a portion of the public funds allotted for the payment of foreign troops. Marlborough's reply states that such sums were a perquisite of the Commander-in-chief of the army, and were used to carry on necessary secret services.

Gt. Brit. *Historical manuscripts commission.* ... Calendar of the manuscripts of the Most Hon. the Marquess of Salisbury ... 1893— (Card 2)

"The series of these most important political and other documents commences in 1300, but papers of earlier date than the reign of Elizabeth are comparatively few. For the reigns of Elizabeth and James I., however, they constitute a body of state papers illustrative of general events and political transactions, with which the state papers preserved in the Public record office are also comparable."—Roberts, R. A. The reports of the Historical ms. commission. London, 1923.

the margin over against the same. Hereunto is added two tables: the one at the beginning of the book, declaring under titles by order of alphabet the substance of such referents as stood at the end of each title in the first collection of statutes, set forth by Master Justice Rastell. And in this table, the title of justices of the peace is specially perused and amended, for their more easy finding of matters in this book, concerning their authorities. In the other table (being at the end of this book) are set down by order of the kings reigns, the severall
